

## 2020: Gevrey-Chambertin to organise the 76th edition of the Burgundy Saint-Vincent Tournante Wine Festival

The day after the celebrations marking the 75th Saint-Vincent Tournante ended in Vezelay in the Yonne, the Confrérie des Chevaliers du Tastevin announced that the 76th edition will take place in the village of Gevrey-Chambertin in the Côte d'Or on the 25th and 26th of January 2020.

Already hosted by Gevrey-Chambertin in 1947, 1960, 1980 and most recently in 2000, Burgundy's itinerant annual wine festival will be celebrated once again in the heart of the Côte de Nuits, as a mark of honour to the climats of the Burgundy winegrowing region.

Under the guidance of the Gevrey-Chambertin Saint-Vincent Tournante organising committee, the year-long preparations are already under way. These will include the presentation of the Saint-Vincent 76th edition glass and promotional poster.

### GEVEREY-CHAMBERTIN – A VILLAGE DEDICATED TO WINEGROWING

Located in the Côte de Nuits, at the foot of the Combe Lavaux nature reserve, the commune of Gevrey-Chambertin is one of the Côte d'Or's most prestigious wine producers. Vines have been cultivated in Gevrey-Chambertin since the early 2nd century. In 1936, Gevrey-Chambertin became an Appellation d'Origine Contrôlée, an AOC that includes the production of the neighbouring commune Brochon.
